

St. Matthew Lutheran School Supply List
Grades 5-8 2016-2017

General Items

Backpack for books and folders
2 Three ring binders (1 inch wide)
3 Notebooks – spiral bound
Erasers, 2 large
Folders (at least two)
Scissors
Highlighter (any color)
Paper, 2 packages, college rule
Red pens, 2
Blue or black pens, 2 (other colors are acceptable)
Pencils, #2 lead – mechanical pencils are great
Pencil case (optional)
Pencil sharpener with cover (optional)
Book covers (optional)
Lunch box
2 boxes of Kleenex
Bible and Hymnal (these will be provided for new students)

Math Items

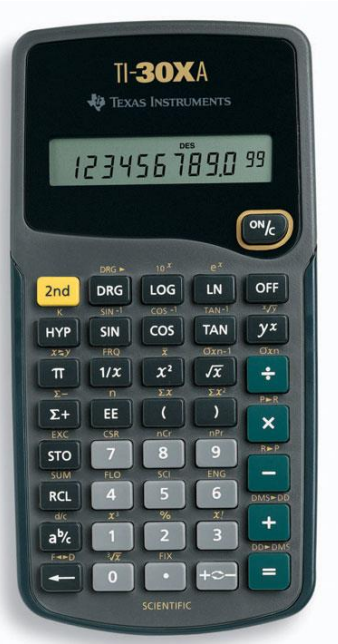

Compass – the thing that makes circles
Ruler – metric and inch marks
Protractor
Calculator (7-8 Graders only) – Please get a Texas Instrument TI-30. There is a variety of TI-30 such as the TI-30XA or the TI-30 IIS. You should find them at Target or Wal-Mart for around \$10. I have included pictures on the reverse side.

Art Supplies

Crayons
Glue Stick
Markers
Colored Pencils
Bottle of Elmer's glue
NOTE: All art supplies are optional. There are classroom "community" items available for use.

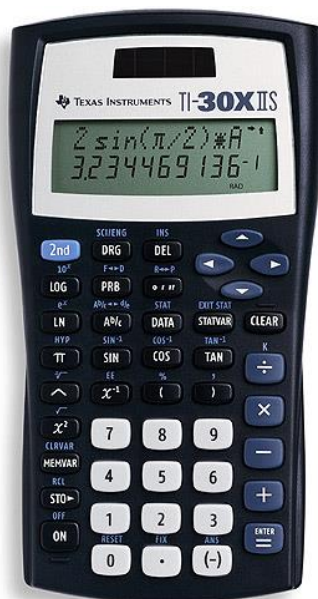

PLEASE LEAVE NOVELTY ITEMS AT HOME
(There is no need for a two foot long pencil or "toys" in your desk.)

Students may bring items to decorate their lockers. I will not allow items to be taped to the inside of lockers, so a small pack of magnets might be needed.

TI-30XA

I prefer this calculator to others. It is also less expensive and will do all the functions required through Algebra I. I will have a few of these calculators available for students to borrow. It will be beneficial for everyone to have their own calculator

TI-30 IIS

This calculator, or other TI-30 calculators, will also work for students.
