

# St. Matthew Lutheran School

## Church Singing Schedule 2023-2024

Each child enrolled in St. Matthew Lutheran School is a member of the school choir. Singing in the choir is a wonderful opportunity to give glory to God by leading our congregation in worship and praise. It is also an excellent way for our school children to thank the congregation for its financial support of the school.

The following is the singing schedule for the 2023-2024 school year. Please make sure to mark these dates on your calendar. Each child is important to the beauty and success of the school choir. If your child is unable to attend, please excuse him/her in advance with your child's teacher(s). Any changes made to the schedule will be announced by the classroom teachers.
