<b>Donation Form</b>	<b>St. Matthew Lutheran School</b>
----------------------	------------------------------------

St. Matthew Lutheran Church and School is a private Christian school located in North Spokane. For almost 50 years, we have served our community by providing a quality Christian education from preschool – 8<sup>th</sup> grade. In the past three years, our enrollment has more than doubled – to the point that we are outgrowing our current space. Last year our congregation generously and fully funded the purchase of a new modular building and teacher. Despite this addition, we still have a wait list. Now we are starting a funding campaign to purchase a second modular building and add two new teachers to reach even more families in our community. This addition will allow St. Matthew the space and manpower to reach 40-50 more students! We are kick starting this effort with a Silent Auction in April 2022. Please consider donating a product or service to auction to support our expansion efforts. Thank you!
